BUILD YOUR ITINERARY

## What is Lightning Lane Entry?

Disney's updated "Fast Pass" system, Lightning Lane Multi Pass and Lightning Lane Single Pass is an optional paid service that will allow guests to skip the line and head right to the Lightning Lane entrance on select attractions. Up to 3 Lightning Lane experiences at one Theme Park can be pre-planned in advance, at the time of purchase (7 days before your Disney hotel check in date - guests not staying at a Disney Hotel can begin planning 3 days in advance). Or Lightning Lane Premier Pass which gives guests one-time entry to each available Lightning Lane experience in a park for one day.

## How it works:

Guests can purchase Lightning Lane passes for days they have valid theme park admission\* starting at 7:00 AM Eastern Time 7 days before their check in date.

Before you purchase a Lightning Lane pass, you'll need to do 3 things:

1. First, download the latest version of the [My Disney Experience app](#).\*\*
  2. Connect everyone in your travel group on your Family & Friends list in the My Disney Experience app—so you'll be able to purchase Lightning Lane passes and make plans for everyone that is eligible.
  3. Gather your group's wish list for attractions and experiences. You can save your group's top picks in the My Disney Experience app using the "My Day" feature.
- Just remember, everyone in your party must have valid theme park admission. Park reservations may also be required, depending on the type of admission and the date of your visit.

## Summary

- Lightning Lane is Disney's updated "Fast Pass" system that allows you to skip ahead in lines throughout the day.
